

**Land Use, Land Management and Aesthetics Work Group – July 28, 2003**

- Continued discussion of grazing lease with resulting action item of field review with Department of Parks and Recreation to evaluate specific issues on site. DWR will schedule to meet DPR in field.
- Received status updates on all studies: all are on or ahead of schedule.
- DPR requested a Fuel Load Management Plan be considered and will prepare a Resource Action Information Form to address their concerns with fuel loading in the urban/wildland interface.
- Discussed and revised specific resource actions for matrix revision.
- The next Land Use, Land Management and Aesthetics Work Group meeting: Monday, August 25, 2003, 6 p.m. – 10 p.m., Oroville.

**Land Use, Land Management and Aesthetics Work Group – August 25, 2003**

- DWR will report back on legal research into fuel loading liability issues.
- Discussed grazing lease and agreed that DWR and DPR would coordinate on potential future actions related to the lease.
- Discussed potential resource action related to fire boat and await information from the Department of Forestry.
- Reviewed and revised land use and management maps.
- Revised resource action matrix and categorized resource actions.
- The next Land Use, Land Management and Aesthetics Work Group meeting: Monday, September 22, 2003, 10 a.m. – 1 p.m., Sacramento, with videoconference available from Oroville.

**Environmental Work Group – July 30, 2003**

- Discussed U.S. Fish & Wildlife Service suggestion to initiate a functional analysis workshop and agreed to revisit the suggestion after some modeling runs are completed.
- Received update from Fisheries and Terrestrial focused task forces.
- Reviews draft narrative reports for EWG – 15A, 17, 51, 19A, 22, 89, 91, 92, and 94.
- Received implementation updates on SP-F16, SP-F3.1, tasks 2A and 3A, SP-F10, task 2B, SP-F10, tasks 2B and 3B.
- The next Environmental Work Group meeting: Wednesday, August 27, 2003, 9:00 a.m. – 3:30 p.m., Oroville Field Division.

**Environmental Work Group – August 27, 2003**

- Received and discussed update on modeling workshop.
- Received update on Fisheries Task Force progress in matrix information development.
- Reviewed updated tracking matrix.
- Discussed content and intent of Level 1 Narrative reports. Agreed that they are threshold documents to assist in the decision-making process.
- Reviewed draft Level 1 Narrative reports for EWG – 13A, 13B, 20, 56, 57A, 68A.
- Received updates on study methodology for SP-T2 and implementation updates on SP-G2, SP-W2, SP-W6, and SP-W5.
- The next Environmental Work Group meeting: Wednesday, September 24, 2003, 9 a.m. – 4 p.m., Oroville Field Division.

### **Recreation and Socioeconomics Work Group – July 31, 2003**

- Discussed submittal process for resource actions and confirmed that the earlier submitted, the more opportunity for analysis.
- Discussed options for development of coordinated trails resource actions: JPA will report back to WG after comparing earlier work with trails actions on matrix.
- Participants individually identified priority proposed resource actions by geographic area.
- Discussed categorization strategy.
- Will divide Oroville Reservoir proposed resource actions into 4 areas and prioritize at next meeting.
- Next Recreation and Socioeconomics Work Group meeting: Thursday, August 28, 2003, 6 p.m. – 10 p.m., Kelly Ridge Golf Course Meeting Room, Oroville.

### **Recreation and Socioeconomics Work Group – August 28, 2003**

- Participants individually identified priority proposed resource actions for the subdivided Oroville Reservoir.
- Received update on status and progress of JPA trails review. Results will be provided at upcoming WG meeting.
- Reviewed update on Technical Review Team activities including demonstration of economic-fiscal impact model and update on development of the recreation visitation model.
- Continued discussion of PDEA development and refinement of matrix.
- Received input from survey conducted by local Oroville newspaper prioritizing proposed resource actions.
- Next Recreation and Socioeconomics Work Group meeting: Thursday, September 25, 2003, 6 p.m. – 10 p.m., location to be determined.

### **Engineering and Operations Work Group – August 1, 2003**

- Updated on modeling workshop scheduled for August 12 and discussed preliminary agenda.
- Postponed discussion on flood management study until Sutter County and Yuba City could attend.
- Received update on the refinement of potential model scenarios and discussed changes.
- Continued discussion of relationship between model runs and proposed resource actions.
- Next Engineering and Operations Work Group meeting: August 29, 2003, 10 p.m. – 3 p.m., Oroville Field Division, with video and teleconference capability.

### **Engineering and Operations Work Group – August 29, 2003**

- Received progress update on flood management study.
- Received watershed protection proposed resource action from Butte County.
- Received de-brief on modeling workshop and discussed approach for next workshop.
- Reviewed modeling scenarios and prioritized run order.
- Next Engineering and Operations Work Group meeting: September 26, 2003, 9:30 a.m. – 3:00 p.m., Oroville Field Division, with video and teleconference capabilities.

**Cultural Resources Work Group – July 22, 2003**

- Received update on historic period work and ethnographic interviewing effort.
- Received update on Maidu Advisory Council: Berry Creek and Mooretown have withdrawn from the Council and Enterprise will vote tomorrow to withdraw. Mechoopda and KonKow Maidu will continue with the Council.
- Discussed proposed resource action worksheet and goals.
- Reviewed completed resource action information form and discussed assignments for completing forms for actions on the worksheet.
- Developed matrix to include proposed resource actions.
- Next Cultural Resources Work Group meeting: August 19, 2003, 5:30 p.m. – 9:30 p.m., Mooretown Rancheria, Oroville.

**Cultural Resources Work Group – August 19, 2003**

- Received update on archaeology tasks and ethnographic interviewing effort.
- The interview packages have been distributed to the appropriate tribal members.
- Continued development of proposed resource action matrix and review of Resource Action Information Forms prepared by participants.
- Next Cultural Resources Work Group meeting: September 16, 2003, 5:30 p.m. – 9:30 p.m., Mooretown Rancheria, Oroville.
